2008 Gold Cards (amended 1/6/09)

IHRA Gold cards are awarded to our 2008 Nitro Jam World Champions and Summit Racing Equipment Pro-Am presented by Mr. Gasket Divisional Champions. They are valid for the entire 2009 racing season. The cards are issued to the individuals and are not transferable. The card entitles the driver to one car and driver entry per Nitro Jam National or Summit Racing Equipment Pro-Am event. Racers with multiple gold cards may use the card for either another car/driver entry or a crew pass.

Which event(s) will honor my card?

You can use your card at any IHRA National or Pro-Am event.

I have someone racing my car for me this year; may I still use my Gold Card?

No, the card is only good for the driver; it does not follow the car. You may use the card as a crew pass if you are not racing. The card has no cash value and may only be used for one admission.

I'm not racing, may I use my Gold Card for admission?

Yes the card may be used for a crew pass if you are not for racing. The card has no cash value and may only be used for one admission.

I have more than one Gold Card and racing more than 1 car at a race. Can I use my cards for each car?

Yes. If you hold more than one card, you may use each gold card to race one of your racecars providing you are the driver.

Some IHRA tracks have advertised that my card is not good at select races. Can they do that?

Yes.

I'm attending a Pro-Am event and would like to use my Gold Card for a Car/Driver ticket. There is a special ET race that weekend. May I use my Gold Card for entry into this race?

No, your car/driver ticket is good for entry into the Pro-Am race only.

Any person(s) involved in the misuse of a Gold Card will be suspended from competition for 12 months from the date of infraction.
