2008 Silver Cards

IHRA Silver cards are awarded to our Summit Team Final Champions and Team Finals Champions. They are valid for the entire 2009 racing season. The cards are issued to the individuals and are not transferable. The card entitles the driver to one car and driver entry at any 2009 weekly participating IHRA sanctioned track event.

Which event(s) will honor my card?

You can use your card at any weekly IHRA participating sanctioned track event. Your card will not be honored at Nitro Jam National or Summit Racing Equipment Pro-Am events.

I have someone racing my car for me this year; may I still use my Silver Card?

No, the card is only good for the driver; it does not follow the car.

I'm not racing, may I use my Silver Card for admission?

No, the card is only good for racing.

Some IHRA tracks have advertised that my card is not good at select races. Can they do that?

Yes.

Any person(s) involved in the misuse of a Silver Card will be suspended from competition for 12 months from the date of infraction.
